

HOW TO DEVELOP AN EFFECTIVE SAFETY & HEALTH COMMITTEE

COURSE OVERVIEW

The "Occupational Safety and Health Act 1994" has made it mandatory for workplaces with forty or more employees to have a Safety and Health Committee. Following that, "Occupational Safety and Health (Safety and Health Committee) Regulations 1996" was promulgated and they had been enforced effective January 1, 1997. With this enforcement, employers are required to reorganise the existing safety and health committee in accordance with these regulations. This programme is specially designed to help participants set up a safety committee or reorganise the existing ones in compliance with the regulatory requirements.
